DEDICATION

Raymond "Laddie" Russell
March 9, 1926 – February 1, 2011

Born in Bellows Falls, Vt, Laddie moved to Fitzwilliam as a young child where he lived until his passing.

Laddie served his country during World War II and Korea and received many distinguished metals.

He was an engineer with the Boston & Maine Railroad until his retirement.

Most of Laddie's life revolved around the outdoors and he was an avid hunter, fisher and trapper. He was a member of the National Rifle Association, National Trappers Association, New Hampshire Trappers Association and Fitzwilliam Sportsman Club.

He loved Fitzwilliam and was extremely knowledgeable of the town's history. We will miss him and the memories and photographs he was always willing to share about Fitzwilliam.

DAMON FAMILY FARM and SAWMILL

The cover of the Annual Report this year honors the Damon Family and Brian Damon who owns and operates the farm and lumber mill that has been in the family for five generations. The Damon family was recently awarded the 2010 New Hampshire Old Mills Preservation leadership Award. The ceremony took place at the Damon property and included State and local politicians and elected officials.

The Damon Family moved from Gardner, Massachusetts, to State Line in the early 1830's, where in 1834 John Damon built a sawmill - manufacturing lumber, wood turnings and hay rakes. In 1856 Jonas Damon took over, expanding the business to make chair legs, backs and rungs for chair manufacturers in Gardner, Mass. By 1885 his mills cut 350,000 feet of lumber annually, employing twenty-five people. When the sawmill was first built, the farm was needed to support the mill. It provided the horses and oxen needed for the logging operation and to transport raw materials and food to feed the family as well as workers at the mill. The photograph on the cover of this year's annual report shows Clayton Damon and Donald Bolton with Damon's oxen skidding logs.

Today Brian operates Damon Lumber and the farm. Damon Lumber does a wholesale business but also cuts custom timber for post-and-beam construction that it ships to clients across the country. The family took the opportunity to expand the capacity of the mill twice, after each of two fires, and can now cut beams up to 40 feet long.

On the farm side, the primary business is raising heifers for Smith's Country Cheese, a dairy in Massachusetts that milks 200 cows. Lisa, Brian's wife, also keeps her own herd of 15 Jerseys that she milks by hand in the farm's 180 year old barn. Many of Lisa's cows are descended from the dairy herd that Brian Damon's father, Clayton Damon, kept until he was badly injured when he was run over by a tractor in the 1970's. Clayton recovered from the accident and worked until he was 84, at which time the dairy herd was sold.

The Damon's keep a collection of items from the old turning mill that burned down in 1967. On the mantel in their home are wooden handles of various sizes and two pieces of wood that fit together to form a water faucet. Next to the fireplace there is an ice cream maker made by White Mountain of Winchendon, Mass. containing wooden paddles from Damon Mills. Wooden products were in great demand in the mid-1800's to mid-1900's.

At the award ceremony in January 2011, Gerry DeMuro, chairman of the board of directors of Northern Heritage Mills, and president of the Northern United States chapter of the Society for the Preservation of Old Mills stated "It's a remarkable family mill farm. There are very few left in the United States like this." We couldn't agree more and feel so proud and fortunate that the Damon Farm and Sawmill continue to be such an important part of our town.

INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

To the Board of Selectmen
Town of Fitzwilliam, New Hampshire

We have compiled the accompanying financial statements of the Town of Fitzwilliam, New Hampshire as of and for the year ended December 31, 2010 included in the accompanying Form F-65 (MS-5). We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with the requirements of the New Hampshire Department of Revenue Administration.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the requirements of the New Hampshire Department of Revenue Administration and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

The financial report, Form F-65 (MS-5), is presented in accordance with the requirements of the New Hampshire Department of Revenue Administration which differ from accounting principles generally accepted in the United States of America. Accordingly, these financial statements are not designed for those who are not informed about such differences.

2010 BOARD OF SELECTMEN REPORT

The Board of Selectmen submits the following report, covering the year 2010, to the residents of the town of Fitzwilliam.

We would like to begin by extending our gratitude to all of the people who have worked diligently to make town government and community work well in Fitzwilliam. We wish to thank elected and appointed officials, full, part-time, and seasonal employees, members of various committees, and residents of Fitzwilliam. In particular, we would like to thank Debbie Favreau and Paula Thompson for their continued dedication to the smooth running of our office. We would also like to acknowledge our department heads for their diligence in keeping their budgets under control.

2010 has been a very difficult year for many of our residents. People are out of work; there have been at least sixteen foreclosures on homes, and little insight as to when the situation will change for the better.

A major priority of the Board is the fair assessment of properties. This year there have been very few "arm's length" transfers of property. Aside from the high rate of foreclosures, we have no information on transfers that were short sale transfers. At least twelve sales involved the sale of foreclosed property, which often falls far below the assessed value. The 2009 equalization report put our assessment values on average 13% higher than actual sales. We have responded to the State's request for information to calculate our 2010 rate, and are still awaiting an answer. Our last town wide revaluation was in 2007, and according to State policy, we are due to be reassessed in 2012. The cost of this revaluation is estimated to be \$60,000.00, and we have placed an article on the warrant for \$20,000.00 to be set aside this year. Once again, this year we continued our system of checking the accuracy of our assessment field cards. For the first time in many years, our town total assessment has gone down. You should understand, however, that we are assessed at 2007 values, not 2010 values. If we reduced everyone's assessment accordingly, it would only result in increasing the tax rate. Your tax bill would stay the same.

The Fitzwilliam tax rate remains very high due primarily to the county and school rates. Hopefully our new state representative, will work to lower the county rate. The school rate is set by formula (50% on equalized value and 50% on average daily attendance), which can only be changed by a majority vote of the entire school district. Fitzwilliam pays approximately \$1,600,000.00 more to the school district than an equalized fair share. This extra funding reduces costs to the majority of the other towns in our district, and to make a change in the formula would most likely be seen by other towns as being detrimental to their best interests. The extra funding does not in any way guarantee a better education for Fitzwilliam students. The board is recommending we investigate the process of leaving the Monadnock School District, a long and difficult task. At this point, this is one possible answer to a better education and financial equity in school funding.

The town has for several years attempted to offset high county and school taxes with very tight budgeting within the town. Unfortunately, there comes a time when we have to bite the bullet. This year we are asking for funds to improve equipment in three major departments. We are seriously considering the purchase of lower cost quality used equipment for these departments. The funding requested for both our fire department and highway department are basically to add dollars to their expendable trusts so that should an acceptable item become available, the town could act without the delay of waiting for a Town Meeting. We have found the use of the expendable trusts a good tool for allowing flexibility in purchasing. In an effort to bring our expenses into line, we have also instituted the use of stipends for some of our town employees. This has proved to be a more realistic way of approaching some positions.

BOARD OF SELECTMEN REPORT - Continued

This year we are asking for funding to repair the tower on the town hall. We have become aware of water leaking into the tower and ultimately damaging our building. We have talked to several contractors and have settled on West Rindge Builders. They are well qualified, with experience with similar projects around the area, including previous work on our Town Hall. The estimated cost of this project is \$35,000.00. We are also asking you to refresh our building maintenance expendable trust, which helps us repair and renovate our town buildings as necessary. This year funds from this account were used to do several projects including door repairs at the fire station.

2010 REPORT OF THE HIGHWAY DEPARTMENT

The Highway Department had a very productive year, completing many road projects and routine road maintenance. A portion of Fullam Hill Road was reconstructed and paved. Able Road was paved. Number Four Road, part of Royalston Road and Lower Troy Road were stone sealed. A couple of drainage projects were also done - Upper Troy Road and Jaffrey Road. Over a thousand feet of drainage pipe and several catch basins were installed on these two projects. Jaffrey Road was made wider by installing underdrain, removing the ditch, and paving. This section of road might be the most traveled road in Town, so now I hope cars can meet without spilling their coffee. Another project completed was replacing the four foot culvert on Old Turnpike Road. The culvert was very rusted and was undermining the roadbed. One project that was unable to be completed was the replacement of the stone bridge on Templeton Turnpike. We are still waiting for our permit from the NH Department of Environmental Services. Hopefully the permit will be approved this spring.

During 2011 the Highway Department plans on finishing the Fullam Hill Road project, from Warren Hill Road to Rt. 12. This section will be reconstructed and paved. Brush and tree work was already started this fall and will continue in the spring. A section of Fullam Hill Road which had been paved several years ago will be stone sealed, as well as Collins Pond Road and another section of Royalston Road.

The Town of Fitzwilliam has continued to invest in our roads and it shows. Each year we spend thousands of tax dollars on our roads and I always try to get the most "bang out of our buck". Last year we were able to complete many of our projects under budget and turned back over \$ 43,000. This is largely due to the dedicated work of the men I have working with me. Chris Rocheleau, David Look, Ryan Chamberlain and Richard Lawrence all do a great job and I am proud to work with them. I would also like to thank all the other Departments and the people of Fitzwilliam for their support.

Thank you,

Gene Cuomo

2010 REPORT OF THE POLICE DEPARTMENT

We have made it through another year and I would like to thank all the residents of Fitzwilliam for their continued support of the Town and their Police Department. There was change within the Department this past year with one of our officers leaving to work for another Town. After a couple of months of searching, testing, and interviewing, we were able to fill that position with an already certified officer. We currently are at full staff with three full-time and three part-time police officers.

As has been the case over the past couple of years the department continues to get busier. Below is a listing of activity comparing the past year to 2009.

	<u>2010</u>	<u>2009</u>
Calls for Service	3799	3558
Citations/Warnings	845	1145
Arrests	104	90
Cases	217	194
Animal Control Calls	255	206
Total Accident Response	92*	87*
Reportable accidents, Damage or Injury	63	64

*(Reportable Accident numbers included in total Accident Response)

The Reported cases included, Animal, Arson, Assault, Domestic Violence Assault, Burglary, DWI, Theft, Drug, Criminal Threatening, Criminal Mischief, Criminal Trespass, Sexual Assault, Fraud, Bad Checks, M/V Theft, Motor Vehicle related offenses, Shoplifting, Receiving Stolen Property, Identity Theft, Felon in Possession of Firearms, Fugitive from Justice, Forgery, Disorderly Conduct, Juvenile Offenses, and others. Most of the cases are violation or Misdemeanor offenses; however there have been a fair number of felony cases.

The town approved the lease of a new cruiser in 2009 and the final payment is in this year's operating budget. This vehicle is the primary patrol vehicle and is in excellent condition. The 2005 Crown Victoria patrol car is the one that we are looking to replace this year with another Crown Victoria patrol car. This vehicle currently has over 114,000 miles on it and is in fair condition. This vehicle is a back up or secondary vehicle at this point and by replacing this vehicle it will give us two primary patrol vehicles which will split the mileage between them and not have the majority of use on one vehicle. This should allow for the cruisers to last longer. The 2006 Ford Expedition currently has just over 105,000 miles. This vehicle had some major repairs last year that were mostly wiring or electrical related which seem to have been fixed at this point. This vehicle is primarily a back up and inclement weather vehicle and I believe by using it like this we can get a couple of more years out of it.

This past year has shown an increase in the number of daytime burglaries, not only in Town but throughout the County and State. I remind people to please call if they observe anything out of the ordinary in their neighborhood, suspicious persons, vehicles, etc. There have been several arrests made in connection to these burglaries and it appears that with those that have been arrested a lot of the open cases may be closed. As a precaution please remember to lock your cars and home.

Again I would like to thank the community, on behalf of myself and all the employees of the department, for their continued support of the Police Department. We continue to work with you and for you to be a professional and supportive part of the community.

Respectfully Submitted,
Wayne H. Kassotis, Chief of Police

2010 REPORT OF THE TRANSFER STATION

2010 saw the retiring of long time Transfer Station worker, Walter Hasse. Walter has worked at the Transfer Station for over 18 years and has seen more changes than anyone. He could always tell you the amount of cardboard, glass, just about anything that passed through the gates. His knowledge and dedication will truly be missed. Good luck Walter in your retirement.

The amount the Town pays to have the trash and construction and demolition materials away increased this past year. This was due to an environmental and fuel surcharge which our contracted hauler has been charging but increased substantially due to the high cost of fuel. This charge was the primary cause of the 2010 budget being overspent and the increase in the 2011 budget. We will be working with the vendor to renegotiate our contract this year with the hope that we will be able to mediate some of this expense. The Transfer Station also continues to see an increase in usage by the public.

Last year at Town Meeting someone asked the question about how much revenue does the Transfer Station take in during the year. This amount is always in the Town Report, but even I am not sure where, so here it is. The Transfer Station revenue for 2010 was \$33,783. This amount reflects fees collected and recyclables sold. As always, if anyone has any questions or comments about the Transfer Station please feel free to call me at 585-2255.

Thank you,

2010 REPORT OF ANIMAL CONTROL

Another year has come to an end and it was a busy one with Animal Control calls and the addition of a new Animal Control Officer.

Crystal Shuffler was hired as the Animal Control Officer and began covering calls. Crystal lives in Town with her family and we are pleased to have her on board.

Over the past year there were 255 calls for service regarding animals. These calls ranged from loose pets to nuisance animals. Remember to call the police station to report a stray or other animal complaint. The call will then be given to Crystal to address. As usual if Crystal is not available the on duty officer will handle the call.

Remember to register your dog by April 15th. We will also be holding a rabies clinic in March or April for those interested persons.

Thank you for your support if you have questions or concerns regarding Animal Control issues please feel free to call.

Thank You

2010 FIREWARDS REPORT

2010 CALLS

The Fitzwilliam Fire Department responded to 254 calls from the period December 1, 2009 to November 30, 2010. The number of calls this year was a decrease from 2009, with 2007 being our highest call volume, at 301 calls. Among the responses in 2010 were: five (5) structure fires, five (5) chimney fires, twenty-two (22) motor vehicle accidents, nine (9) brush fires, and twenty-eight (28) mutual aid fire related responses to nearby communities including, Troy, Rindge, Jaffrey, Richmond, Marlborough, Keene and Swanzey, as well as Winchendon, and Royalston, Massachusetts. There were ten (10) automatic fire alarms, ten (10) utility/wire related calls, and eighteen (18) other calls including, smoke investigations, fuel spills, water problems, car fires, and other calls for service. The department also responded to one hundred ten (110) medical emergencies, and twenty-two (22) mutual aid medical calls to nearby communities including, Troy, Rindge and Jaffrey. There were also fifteen (15) public assist/lifeline calls.

PERSONNEL, TRAINING, AND EDUCATION

The department currently has twenty-seven (27) active members and four (4) senior members. The department has eight (8) members who serve as fire personnel and nine (9) as EMS personnel. Ten (10) members are both fire and EMS certified. There are sixteen (16) New Hampshire certified fire fighters. Five (5) members are certified at Level I, eight (8) at Level II, and three (3) at Level III.

There are sixteen (16) members who are certified at various levels of Emergency Medical Services. Eleven (11) are Nationally Registered EMT-B (basic) members and five (5) are at the Nationally Registered EMT-I (intermediate) level. All active members are required to maintain current CPR and Hazmat Operations training.

The department hired three (3) new personnel in 2010; one was already certified as a Nationally Registered EMT-I (intermediate) level with several years experience in EMS. The other two new employees are new to the fire service and will serve as fire and EMS providers once trained.

The department continues to offer monthly training for both fire and EMS personnel. Frequently throughout the year personnel participated in training with our mutual aid response area towns, as well as the training conducted with our members in town.

In addition, personnel participated in several courses at Meadowood Training Center and the NH Fire Academy in Concord NH, as well as at other local departments. Courses included Firefighter I and II, Self Contained Breathing Apparatus and Protective Equipment, Basic Pumps and Advanced Pumps, Basic Rescue, Arson Investigation, Advanced Self Contained Breathing Apparatus, Auto Extrication, Advanced Auto Extrication and Advanced levels of Incident Command and Basic Awareness to Terrorism. Personnel also participated in several courses at The Cheshire Medical Center. Many members take courses and pursue independent study at their own expense, aside from investing their time. We greatly appreciate their efforts on the town's behalf.

VEHICLES

Our inventory of vehicles includes the 2003 Pierce Contender pumper, the 1987 FMC pumper, the 2009 Mack tanker, 2009 Ford 350 Super Duty pick up forestry truck and the 1999 Ford Ambulance.

Firewards Report – Continued

The 1999 Ford Ambulance was due to be replaced in 2009 based on a ten-year replacement schedule. The Board of Firewards, Officers and personnel, as well as, community members, researched the options for acquiring a new ambulance, performing a refurbishment or purchasing a used ambulance. At this time the Board of Firewards has reached the decision that the present ambulance is adequate to meet the needs of the town for another year, and has recommended to the Budget Committee that the acquisition of a new ambulance be placed on the CIP for 2012.

2011 BUDGET

We have presented fire and ambulance budgets that we feel meet the needs of the town and the basic needs of the fire and EMS personnel. The fire department operating budget is up \$3,308.00 from the 2010 request. There is also a request in the capital budget to place \$20,000.00 in the expendable trust fund for a truck to be purchased in the future.

The ambulance-operating budget for 2010 is up \$3,460.00 from 2010. Both budgets reflect a slight rise over 2010 due to increases in the categories of vehicle maintenance and fuel costs. As this report is prepared, the Budget Committee and the Board of Selectmen are reviewing our proposals.

The Fire Department's assessment of future priorities tries to address the community's most urgent fire, rescue and EMS needs. The current primary priority involves space. The building housing both the fire and police departments has met the level that this 38-year-old building was built for. The ongoing need for storage and office space for both departments, the interest of safety for all personnel and those that are at this facility, and the age of the station warrants the need for thought to be given towards a new station or an addition on to the current station, as well as securing an adequate supply of potable, useable water. Either plan would allow both departments to be able to expand and therefore provide the services the community needs and deserves. Other ongoing priorities for the fire department include, but are not limited to, timely apparatus and maintenance, recruitment and retention, fire prevention, and continued professional training of the members, as well as community service and involvement.

Townpeople can see where their money is being spent in a review of the list of calls and training activities outlined in this report. In addition, we are always open to visits from citizens at the Fire Station on any Sunday morning (usually the first and third Sundays) during vehicle and equipment check. You are welcome to stop in to see what the town fire department has and ask questions that come to mind about your fire and ambulance service.

REPORT OF THE LIBRARIAN 2010

In 2010, we followed up our year as 2009 NH Library of the Year, by focusing on our core strengths: customer service, programming and technology. Technology was foremost on our minds this year as our operating system was no longer being supported and was liable to crash at any time. After much study, we chose an open source platform called Koha. We were able to negotiate a very attractive price by forming a consortium with the Jaffrey and Troy public libraries. We signed a contract with Bywater Solutions in June to handle the migration, hosting and support of our new system.

After the migration of all our patron and book records, a process that took several months, we went live with Koha in November. Our catalog is now available online at <http://catalog.fitzlib.org>. In addition to the catalog, patrons are now able to place holds, to renew and request materials, to keep personalized reading lists and to have messages sent to their email address. We are excited about the expansion of our service beyond the library walls and about the possibilities of sharing with other Koha libraries.

Our yearly statistics continue to reflect our service to the community. Circulation of materials outside the library was 26,701. Our interlibrary loan borrowing also put up some strong numbers, with 688 books borrowed from other libraries for our patrons and 579 loaned out. Accessions to the collection included 542 books, 134 DVDs and 71 audio books on CD. The fiction, audiocassette and videocassette collections were weeded to make more room. Reference questions also showed an increase, with 1,133 queries. There were 1,897 users of the three public computers, 348 laptop users and countless others took advantage of the free WiFi on the porch.

A particularly notable increase was the circulation of downloadable audio books. This service, added two years ago, saw an increase of over 300% with 752 books downloaded in 2010. It is now possible to download books for the ipod as well as for Ereaders (excepting the Kindle) so we expect this number to climb even higher. If you haven't yet made use of this service, all you need is your patron number. Check our website, www.fitzlib.org, to find a link to the site.

Our wonderful library building was fully utilized again this year with 116 programs for children and adults with almost 2,000 people in attendance! Larger audiences sometimes had to spill out to the lawn, the town and even the school. In addition, 61 meetings were held by local organizations in our meeting room and three art shows took place in the upstairs meeting hall.

We celebrated the diversity of our wildlife this year with visits from owls, iguana, newts, turtles, frogs, a laughing kookaburra and the occasional llama. The winter program had the children making a Grand Tour of Space while the summer program came down to earth with a visit to wetlands in Make a Splash: Read! Ninety-three children filled our indoor wetlands with lilies, frogs, fish, turtles, dragonflies, birds and raccoons; all demonstrating how much time they spent reading.

The rest of the year was also busy with pysanky, gingerbread houses, candles, knitting, owl painting, stamp collecting, rock painting and even an appearance by a Mad Scientist!

The Adult Book Discussion Group met monthly, as did the Poetry Discussion and Junior Book Group while Preschool Storytime and the fall Tuesday Afterschool Group met weekly. Creative Movement for Toddlers was offered in the spring and winter months and in the summer we held art shows in the upstairs hall that showcased local artists, Lynne Brown, Barbara Schupack, Warrant Hall and Nancy Carney.

Librarian's Report - Continued

The highlight of our 2010 programming year was undoubtedly Eyes on Owls. Over 300 people turned out in the fall for this fascinating presentation with six live owls by naturalist Marcia Wilson and her husband, photographer Mark Wilson. The program was held upstairs in the Town Hall and still the audience was out to the stairs!

Two other notable programs for adults were The Great Sheep Boom and its Enduring Legacy on the NH Landscape, presented to a packed meeting room by Former NH Commissioner of Agriculture Steve Taylor. A Meet the Candidates Night was held before town meeting and a repeat performance has already been requested for 2011. A display of 43 character dolls, each accompanied by a themed storybook, was on display in the children's room this summer, on loan from the Green Mountain Doll Club.

In 2010, Kate and I welcomed a new addition to the staff, Theone Wallace. Theone has a Master's Degree in Library Science and works on Monday and Wednesday evenings. We said goodbye to trustees Rita Nirenberg who served on the board for 12 years and to Chairperson Cathie Talbert. They will be missed. New trustees Nick Noyes and Richard Mays join current board members Barbara Green, Joanne Kesses and Maggie Brogdon.

Thanks as always to our wonderful Friends of the Library whose financial and hands-on support make all our programs possible. This year's board members include Maggie Brogdon, Michelle Buonomano, Lisa Lajoie, Katie Carlton, Cindi Beede and Mary Frazier. Thanks to the many volunteers who help with programs and especially to Jim Kates and Robyn Andersen-Hannett, to Dorothy Zug and Frank Bateman for the flower arrangements, to Paula and Jim Baldwin for the hanging baskets of flowers, to Janet Wilkinson for the loan of quilts, to Juana and Tim Lehtola for their hard work on the gardens this summer and to the community for their support throughout the year.

2010 REPORT OF THE RECREATION DEPARTMENT

2010 was a productive and positive year for the Recreation Department. We continued to offer great programs that were each facilitated by their own director and were overseen by the Recreation Department coordinator and the Recreation Commission. Yoga continues to be a popular program and is run by Sharon Laflamme. Classes for adults are held on Monday evenings in the upper meeting hall at Town Hall.

The Summer Recreation Program was once again directed by Jen Skelton and continues to be a very popular program. Jen and her staff did an excellent job working with the children and keeping them active with games, crafts, trips to the beach, and a few fun field trips.

Ron Guyette directed our soccer program, which is our largest self-supporting program. Once again, we had a great turnout of over 100 children participating from preschool through grade 6. In 2010 the recreation department turned over the concession stand to Mr. Rathbun's 6th grade class to help them raise money for their annual Ferry Beach trip. This was a great opportunity for us to collaborate with the school and a great learning opportunity for the 6th graders, who all helped to run the concessions on Saturday mornings. Matt Governor was our basketball coordinator and we had another fun basketball program. Both Basketball and Soccer were a great success in large part due to our volunteers. Many thanks are due to the dedicated coaches and parents who generously donate their time to help these programs continue to be successful.

2010 marked the 20th anniversary of the Charlie Wallace Memorial 5K race. This year's race was also run in memoriam of Nathaniel Kennedy. Nathaniel was a Fitzwilliam resident and long time participant in recreation programs. The race was sponsored by generous donations to the recreation department from the Kennedy family and friends. We had representatives from both the Wallace family and the Kennedy family which helped to make it a very special day. We had many volunteers from town and a great turnout of runners for both the 5K and the Kid's 1K fun run.

The Recreation Department introduced a few new programs in 2010. The most popular new program is the Zumba classes offered on Tuesday and Thursday evenings at the Emerson multi-purpose room. The classes are taught by Laurie from the Clark Memorial YMCA in Winchendon, MA. Tennis lessons were made available to children and adults. We had about 15 children and 2 adults sign up for lessons and we hope to be able to offer this program again in 2011.

Our first annual Winter Festival was held in February and was a fun family event. The weather was perfect for snowman building and sledding. Treats and board games were also available at the Inn when families wanted to come inside and warm up. It was truly a great event and we plan to continue it for years to come.

The Recreation Department was also fortunate to work with other town departments to help offer free family programs. The fishing derby in May was a great success thanks to the efforts of the Police Department, NH Fish and Game, The Friends of the Fire Department, the Highway Department, and Mother Nature helped out too by providing perfect weather! We were also able to utilize generous donations made to the Recreation Department to offer a family movie night at the Charlie Wallace ball field at Emerson School. We showed *Cloudy with a Chance of Meatballs* and gave out free popcorn to the moviegoers. Everyone brought blankets and bug spray and had a great time. The Fire Department also helped out by providing lighting after the movie so everyone could get to his or her cars safely.

RECREATION COMMISSION REPORT – Continued

The Recreation Department also offered adult basketball for men and women at Emerson School. The Cross Country ski trails were groomed and cleared of residual debris from the ice storm. Cross-country skis and snowshoes are available for loan from the Recreation Department.

The Recreation Department also began work in 2010 to improve the recreation areas in town. We had the outdoor basketball court and parking lot paved down by the pole barn. We will continue with the improvements in 2011 with the resurfacing of the basketball court under the pavilion at the pole barn as well as improvements to the ball field.

The Recreation Commission usually meets on the 2nd Wednesday of each month at town hall. We encourage suggestions and feedback from residents regarding programming. Feel free to stop by a meeting or contact the Recreation Department office by calling 585-7270 or by email: fitzrec@wivalley.net.

2010 REPORT OF THE TOWN CLERK

Denise Nolan was appointed as Deputy Town Clerk in March 2010 after the resignation of Michael Robie. We wish Mike great success in his new endeavor! For those of you keeping count, yes, I have had three deputies in three years. Even though the administration in the office has been fluid the service provided has remained strong. I appreciate all your patience when training new deputies. This job is not an easy one to learn, especially when you are in the office only 8-10 hours per week. We are hopeful that all the bumps are out of the way and some continuity can be obtained!

We issued slightly more registrations in 2010 than 2009 (3635 compared to 3615). We also issued over 700 dog licenses in 2010. EREG and ELI (online registration renewals and renewal of dog licenses) are being used more and more. If you have not tried this you may want to. I have received many positive comments about this service.

One area I would like to tackle this year is the ability to use credit/debit cards. Our software provider will give us all the hardware necessary at no charge to the town. However, we will need to become a "one check" town for motor vehicle. This will affect other departments within the town and needs to be ironed out before we can move forward with anything. The one thing that people need to realize is that there would be a fee of 2.95% of the total charge added to your registration/licensing fee/pos. I guess it's the price you pay for the convenience of using credit/debit cards. If you feel strongly about having the *choice* to use credit/debit cards you may want to contact the Selectmen's office and discuss the matter with them. Of course one may still pay by cash or check; I would just like to give people the *option* to use credit/debit cards.

During the 2010 election season there was some concern voiced over the use of the AccuVote machine. I welcome anyone to come in during the programming of the machine to observe and/or ask any questions. I post the time and location that the programming will take place at the Town Hall, Library and Post Office. I have complete faith in the use of this machine as does the Secretary of State.

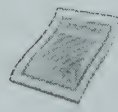

The office hours, phone number and email are listed in the front of this report. Office hours are subject to change. We will make every attempt to give notice if the office will be closed, but sometimes that is just not possible.

Denise and I look forward to serving you again this year. We make every attempt to make things as easy and convenient as possible while obeying the rules, regulations and laws for motor vehicle, elections, dog licensing and vitals.

Remember, you can renew your registration or dog license 24/7 at www.eb2gov.com.

Heidi L. Wood, Town Clerk

2010 REPORT OF THE PLANNING BOARD

The first duty of the Planning Board is to prepare and amend a master plan to guide the development of the municipality. The Master Plan revision process began in early 2006 with a successful Community Forum, which solicited input on the future of Fitzwilliam. More than 100 citizens participated over the course of three days. Coupled with responses from the town-wide survey conducted by UNH in late 2007, the Board was prepared to interview municipal departments about the current state of their departments and their estimated needs 10 years hence. Working with planning consultant Carol Oglivie during 2010, the Board completed an assessment of future land use needs. During 2011, Southwest Region Planning Commission will update the demographics section of the master plan with 2010 Census figures. Maps will be finalized and the revised document should be ready for publication in 2011.

Planning Board regulatory duties include the review and approval of all subdivisions, lot line adjustments, voluntary mergers and site plan review applications. The Planning Board may, from time to time, recommend to the local legislative body amendments of the zoning ordinance. (RSA 674:1)

At the 2010 Town Meeting, voters ratified eight ordinances passed first in 2009, and passed the six ordinances recommended by the Planning Board in 2010. The Growth Management Ordinance was repealed and, perhaps due to the economy, growth has remained stable.

The Planning Board reviewed current zoning regulations with Ms. Oglivie to insure that ordinances reflect master plan goals. In the coming year the Board will consider changes and bring amendments to voters in 2012.

After conducting thirty-four preliminary consultations and twenty-one public hearings, two of which were continued into 2011, the Board:

- 1) Approved 7 subdivision applications, creating 13 new residential lots;
- 2) Approved one wetlands application, denied one;
- 3) Approved two boundary line adjustments;
- 4) Approved six new business site plans;
- 5) Approved one voluntary merger; and
- 6) Approved one subdivision revocation, at the owner's request.

The Planning Board meets on the first and third Tuesdays of the month at 7:00 pm in the Town Hall. All meetings are open to the public.

2010 REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals for relief from zoning ordinance requirements. The Board considers the unique circumstances of each case and decides if relief is warranted, based on specific criteria. They consider the impact of the proposed action on the neighborhood and the land, and whether it is in harmony with the purpose and intent of the zoning ordinance. The Board can't change zoning ordinances but is empowered to grant appeals in accordance with State Statute and local law as specified in the Land Use Code.

The Board considers appeals for Variances, Special Exceptions and Equitable Waivers of Dimensional Requirements, Appeals of Administrative Decisions and motions for re-hearings. During 2010 the Board of Adjustment deliberated on fifteen cases, one of which was withdrawn by the applicant. Four Special Exceptions and ten Variances were granted. The number of cases heard by the ZBA had declined from a high of 31 in 2005 to a low of 6 in 2009. With 15 cases in 2010, the number of appeals seems to be on the rise again.

Steve Filipi was re-elected Chairman; Gretchen Wittenborg was re-elected vice-Chairman and Jane Roberts was elected Clerk. Sue Wood and Carmen Yon served as alternates and Tom Parker represented the Board of Selectmen.

The Zoning Board of Adjustment meets the second Tuesday of the month, when they have an application before them. The Board invites and encourages all interested parties to attend hearings and meetings as noticed.

2010 REPORT OF THE HISTORIC DISTRICT COMMISSION

The Town of Fitzwilliam is an iconic New England town, attracting new residents and visitors each year. Much of the town's beauty derives from the 413 historic buildings that span the century and a half from 1750 through 1900. The inventory of antique homes in Fitzwilliam indicates 40 homes dated 1750-1799, 77 homes dated 1800-1849 and 128 dated 1850-1900.

The mission of the Historic District Commission is to preserve structures and places of historic and architectural value; preserve a district in the municipality that reflects elements of its cultural, social, economic, political and architectural history; conserve property values; foster civic beauty; and maintain the existing architecture of the district. The Commission reviews all exterior construction located within the Historic District of Fitzwilliam through an application process and public meetings. They are also responsible for amendments to and adoption of regulations in accordance with State statutes.

In 2010, the Historic District Commissioners used the design guidelines to review fifteen applications including: additions to homes and a barn, a deck, a ramp, sheds, replacement windows, painting and siding, renovations of a barn, sheds and entryway, and a new home in the district.

Applications for exterior changes within the Historic District must come before the Commission for consideration and approval. The Commission meets on the second Thursday of each month at 4:00 PM in the Town Hall when there is a case before it. All meetings are open to the public and we encourage participation from all those interested.

2010 REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission continues its mission to protect the natural resources of the town. Following the recommendation of our Natural Resources Inventory (NRI), we formed an Open Space Committee (OSC). The OSC received a New Hampshire Charitable Foundation grant to support its work with the Monadnock Community Conservation Partnership. The Committee has reviewed and updated information and maps on our conservation resources and developed and distributed surveys around town to identify and prioritize potential conservation lands. We thank the over 200 people who returned these surveys and hope you will support our work in the coming year to help bring your visions to reality. We look forward to presenting an Open Space Plan to the town during 2011.

We have been working to encourage greater use of our town forests and other important conservation areas. We obtained proposals for the planning, marking, and laying out of trails in the Widow Gage Town Forest (WGTF), and are currently negotiating a contract with a professional forester to create a well marked walking trail around the perimeter of this 59-acre forest, incorporating views of a beaver pond, stonewalls, and hillside vistas. A kiosk with maps and information may also be included.

This year we are asking you to approve a town warrant article to purchase an 11-acre parcel (Map 13, Lot 5-3) with funds from the Conservation Expendable Trust. This land, abutting the WGTF, would facilitate access to the town forest and adjacent conservation lands from Rhododendron Road.

We also ask for your support on a warrant article to rescind a provision allowing the possible mining of gravel from the Katie Metzger Town Forest. Although this forest appears to be an unlikely source of gravel, the mining provision in the original article prevents establishing a conservation easement to protect the land in perpetuity.

Finally, the Commission is asking for support to adopt the provisions of RSA 36-A:4-a, 1(a) that would authorize utilization of town funds to support conservation projects on lands outside of town boundaries. This is needed because lots having important conservation value sometimes extend beyond town borders.

The Commission has also explored plans for a possible footpath from the post office to the village, presented information at four town events, shared agendas and minutes with the new town agricultural commission, and continued publication of member Rosalind Slavic's conservation column in the newsletter.

We have printed 25 more copies of the NRI (available for purchase in the planning office), conducted seven site inspections, and made recommendations to the planning board and DES regarding several wetland applications and one sign placement. One of our members continues to represent the Commission on the Hazard Mitigation Committee.

We welcomed new members Richard Brackett and Rebekah Bullock, accepted the re-appointment of Dorothy Zug, thanked Robert Corrette and Daniel Bemis for their service to the Commission, and hired a secretary.

2010 REPORT OF THE CODE ENFORCEMENT OFFICE

The Code Enforcement office enforces regulations of the Fitzwilliam Land Use Codes, issues permits for construction, and occupancy permits for new home occupation after completion of construction.

Upon receipt of a written complaint, the Code Enforcement Officer performs an investigation, ensures compliance of construction permits to applicable zoning requirements, dedicates Emergency 911 numbers; and reviews all construction permit applications and plans. This review ensures safety from fire, flood and establishes that all other public requirements are met. Once a permit has been granted, the Code Enforcement Officer visits the property prior to the start of construction to determine that all setback requirements have been adhered to.

If you should have any questions with regard to permitting for construction please contact the Board of Selectmen's Office to obtain a copy of the Construction Permit regulations. Please remember that all construction, renovation, demolition and changes to buildings require a permit. It is always best to check with our office prior to construction to determine if a permit is required. When applying for a permit, please remember to allow yourself enough time for the paperwork to be processed prior to the start date of construction.

In 2010, 67 construction permits were issued. Of the 67 permits issued 6 were for new single-family dwellings. If you should have any questions with regard to building issues, please feel free to contact the Selectmen's Office at 585-7723.

2010 REPORT OF EMERGENCY MANAGEMENT

This past year was fairly quiet on the Emergency Management side of things. The Emergency Shelter at the VFW is complete with backup power if the need arises. We have been looking at other areas of Town to see what is needed in case of Emergencies. We have a great network of Emergency Workers in Town and I received a lot of interest from individuals that want to assist in the time of an Emergency. This year we will be looking to formalize a list of volunteers that we can utilize when and if needed.

We are also looking into an emergency notification system and what it would take to have something like this in place in Town in case there is a need. We continue to work toward being prepared for all emergencies.

Thank you for your interest and support.

2010 REPORT OF NORTHEAST RESOURCE RECOVERY ASSOC.

As a member of the Northeast Resource Recovery Association (NRRA) your community has access to all the services of this first in the nation, 30-year-old recycling cooperative. Your member driven organization provides you with;

- Up-to-date technical assistance in waste reduction and recycling
- Cooperative marketing to maximize pricing and cooperative purchasing to minimize cost
- Current market conditions and latest recycling trends
- Innovative programs (i.e Dual Stream, Consolidation and Single Stream)
- Educational and networking opportunities through our annual recycling conference, our Bi-weekly "Full of Scrap" email news, monthly marketing meetings, website, semi-annual newsletter and fall bus tour
- School Recycling Club – a program to assist schools to promote or advance their recycling efforts.

The membership has grown to include more than 400 municipalities, businesses and individuals in New Hampshire, Vermont, Massachusetts, Connecticut and Maine. NRRA, as a non-profit organization, is unique in that we do not charge a "brokerage fee" or work to maximize profit gains, but rather has a minimal "Co-op" Fee" which is re-invested into programs to further your recycling programs and solid waste reduction efforts in schools and municipalities

Through your continued support and dedication, NRRA has assisted our members to recycle over 73,206 tons in fiscal year 2009-2010

Sincerely,
NRRA Staff

2010 REPORT OF THE ENERGY COMMITTEE

The Energy Committee submitted a grant proposal to the OEP under the New Hampshire Energy Efficiency and Conservation Block Grant Program (EECBG) for a comprehensive energy retrofit of the Fitzwilliam public safety building. While Fitzwilliam was not selected for a grant from the 270 applications, the complete professional energy audit of the public safety building by S.E.E.D.S. provided the town with valuable information about the building's energy inefficiencies. Several of these have been corrected.

The committee continues to watch for anew grants or low interest loan opportunities to improve the energy efficiency of town buildings. We are currently waiting for free general building energy audits of our remaining buildings through Southwest Regional Planning Commission via the Peregrine Group from Boston. Armed with these audits, the Selectmen can begin to determine repair/retrofit priorities based on professional recommendations.

The Energy Committee also participated in the second Common Walk Arts Fest in October, focusing attention on 360.org, the maximum number of CO2 molecules our atmosphere can contain in order to maintain stability in our environment. The Committee invites greater participation from the community.

Respectfully submitted,
Carole Beckwith, Committee Chair

FINANCIAL REPORT

The actual cost of all services provided in 2010 with all funding sources is projected to be \$373,855.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2011 we request a total appropriation of \$2,040.00 to continue home care at the current level and \$724.00 for the Meals-On-Wheels program.

Thank you for your consideration.

2010 ANNUAL REPORT OF THE MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of State lands on Monadnock, Gap and Little Monadnock Mountains. State law allows the Commission to accept tax deductible donations. MAC is a primary funding source for search and rescue supplies and equipment.

A Grand Opening Celebration was held at Gilson Pond Campground, Monadnock State Park on August 18, 2010. Director of Parks Ted Austin welcomed visitors and gave a brief history of Parks, especially Monadnock State Park. Commissioner of DRED, George Bald acknowledged the many participants who were involved in bringing this project to fruition. He read a congratulatory letter from Governor John Lynch. Will Abbott, Vice president of Policy & Land Management for the Society for the Protection of New Hampshire Forests emphasized the importance of the partnerships between the Society, Parks and the Monadnock Advisory Commission in seeing this phase of the Monadnock Master Plan to its completion. Ann Royce spoke on behalf of the Commission. After a ribbon-cutting refreshments, many of the visitors walked through the new family campground.

The Gilson Pond Campground hosted family campers for the first time this year. It replaces family camping at Park Headquarters, where now only youth group camping is sited. After Columbus Day and through the winter Gilson Pond is closed and families are again located at Headquarters for winter camping.

At MAC meetings held on May 27th at the Jaffrey Civic Center and August 4th at Park Headquarters, Manager Patrick Hummel reported on attendance and income, trail conditions and upkeep. Peter Palmiotto, Antioch University gave updates on the MERE Project (Monadnock Ecological Research & Education Project.)

ARTICLE 4. Shall the Town vote to adopt the amendments to the Zoning Ordinance generally described as follows:

127-16.2 C. Definitions: Amend this section with new definitions as follows:

2010 ANNUAL MEETING MINUTES - Continued

Fixed Wireless Transmitter Tower Structure – a structure that supports an antenna that receives and transmits fixed wireless signals to provide subscribers with high-speed (broadband) internet access capabilities.

Over-the-Air Reception Devices (OTARD) – Federal Communications Commission adopted the OTARD rule in 1996 (47 C.F.R. Section 1.4000). OTARD rules as amended in 2000 prohibit restrictions on property that impair the use of certain antennas. The rule applies to customer-end antennas serving customers on the premises that transmit and/or receive fixed wireless signals. Fixed wireless signals are defined to be any commercial non-broadcast communications signals transmitted via wireless technology to and/or from a fixed customer location.

127-16.2 E. Applicability

Amend this section by adding the following paragraph with OTARD rule.

127.16.2 E. (2.5) OTARD rule prohibits restrictions that impair the installation, maintenance or use of customer end antennas that receive and transmit wireless signals.

Amend this section by adding the following paragraph to allow for the towers and associated equipment associated with providing wireless broadband internet access:

127-16.2 E. (4) Fixed Wireless Transmitter Tower Structure This ordinance shall not govern any tower, or the installation of any tower that is used exclusively to support a fixed wireless transmitter that receives and transmits fixed wireless signals for the sole purpose of providing customers with high speed internet access.

Article III, Principal and Accessory Uses

127-14 Accessory Uses

Amend section 127-14 E. by adding a new paragraph (5), **Fixed Wireless Transmitter Tower Structure** for the purpose of allowing siting of this facility outside the WCFOOD if necessary to provide effective internet access with minimal site development and costly tower structures.

A Fixed Wireless Transmitter Tower Structure (FWTTS) is a tower that is used exclusively to support an antenna that receives and transmits fixed wireless signals to provide customers with high-speed broadband internet access capability. Tower structures less than 75 feet are allowed in all districts. All such uses must comply with Site Plan Review Regulations. Fixed wireless transmitter tower structures that are over 75 feet require a conditional use permit from the Planning Board. A fixed wireless transmitter tower structure requires a building permit.

2010 ANNUAL MEETING MINUTES - Continued

Conditional use approval may be granted by the Planning Board (RSA 674:21) after a public hearing, provided that the proposed activity complies with all of the following:

- (a) The activity is a productive and reasonable use of the land and is in compliance with the purpose of this section.*
- (b) Design, construction and maintenance methods are established to minimize detrimental impacts.*
- (c) Factors considered in Granting Decisions.*
 - (1) Height of proposed supporting tower structure.*
 - (2) Mechanical safety of the tower structure.*
 - (3) Compliance with RF exposure guidelines.*
 - (4) Proximity of tower structure to residential development or zones.*
 - (5) Nature of uses on adjacent and nearby properties.*
 - (6) Surrounding topography.*
 - (7) Surrounding tree coverage and foliage.*
 - (8) Design of the tower structure with particular reference to design characteristics that have the effect of reducing or eliminating visual obtrusiveness.*
 - (9) Proposed ingress and egress to the site.*
 - (10) Visual impacts on viewsheds, ridgelines, and other impacts by means of tower structure location, tree and foliage clearing and placement of incidental structures.*
 - (11) Availability of alternative tower structures and alternative siting locations.*
 - (12) Possibility of siting within the WCFOOD.*

Each applicant requesting a Conditional Use Permit under this ordinance shall submit a scaled plan in accordance with the Site Plan Review Regulations and further information including: a scaled elevation view, topography, radio frequency coverage, tower height requirements, setbacks, drives, parking, fencing, landscaping, adjacent uses (up to 200' away), and any other information deemed necessary by the Planning Board to assess compliance with this ordinance.

ARTICLE 10. Are you in favor of amending the Fitzwilliam Land Use Code as follows?

Repeal Article IX, Chapter 127-42 Variances, Section E., Mandatory Findings, and substitute new section 127-42 E. below, as required by state legislation RSA 674:33 I (b).

127-42 E. Mandatory Findings. Before granting any Variance from the provisions of this Chapter, the Board of Adjustment shall make specific findings that all of the following conditions are present:

A. For All Variances:

1. The variance will not be contrary to the public interest;

2. Substantial justice is done;
3. The values of surrounding properties are not diminished; and
4. Literal enforcement of the provisions of the ordinance would result in an unnecessary hardship.

B. Unnecessary hardship means that owing to special conditions of the property that distinguish it from other properties in the area:

1. No fair and substantial relationship exists between the general public purposes of the ordinance provision and the specific application of that provision to the property; and
2. The proposed use is a reasonable one.

C. If the criteria in subparagraph B. are not established, an unnecessary hardship will be deemed to exist if, and only if, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance, and a variance is therefore necessary to enable a reasonable use if it.

ARTICLE 11. Are you in favor of amending the Fitzwilliam Land Use Code as follows? Repeal Article III, Principal and Accessory Uses, Section 127-8 E., entitled Livestock Keeping, and replace it with the following ordinance?

127-8 E. Livestock Ordinance

I. Purpose: To preserve the historic rural character of Fitzwilliam; to support and encourage local small working farms; and to ensure the continued tranquility of village life for all residents. Keeping of livestock and fowl is permitted throughout the town of Fitzwilliam.

A. Provisions. Livestock and fowl may be kept in any district, providing:

1. All livestock and fowl are kept in accordance with the Department of Agriculture's Best Management Practices and the UNH Cooperative Extension Housing and Space Guidelines for Livestock.
2. All livestock or fowl are properly housed in structures designed to adequately provide shelter for the particular type of livestock or fowl being kept.

Livestock and fowl, manure storage, and grazing and keeping areas are kept at a minimum of 75

2010 ANNUAL MEETING MINUTES - Continued

3. feet from water bodies and wetlands areas. Manure cannot be stockpiled so as to create a nuisance or health hazard.
4. All livestock and fowl are properly contained within the boundaries of the animal owners' property. Enclosures shall be adequate to prevent the livestock or fowl from trespassing on public or private property.
5. Every reasonable effort is made to insure that livestock and fowl do not place an undue burden on neighbors by proximity, odor or noise. At no time shall a public nuisance be created or allowed to continue.

B. Policy. Fitzwilliam concurs with RSA 432:33, which states that "No agricultural operation shall be found a public or private nuisance as a result of changed conditions in or around the locality of the agricultural operation, if such operation has been in operation for one year or more and if it was not a nuisance at the time it began operation. This section shall not apply when any aspect of the agricultural operation is determined to be injurious to public health or safety under RSA 147:1 or RSA 147:2."

C. Enforcement. The Board of Selectmen shall be the enforcement authority of all provisions of this ordinance. The Selectmen or their agent shall notify violator(s) of violation(s), along with any corrective action required. Violations of the livestock ordinance are punishable by fines as cited in Article X of this Chapter.

D. Definitions.

Livestock – refers to domesticated animals raised in an agricultural setting that are capable of producing commodities such as food or fiber, or labor.

Fowl or poultry – refers to the category of domesticated birds that are capable of producing eggs, meat and/or feathers.

Small working farm – refers to agriculture operation that is similar to a home business, operated by people living and working on the property; not a large commercial agricultural operation, which is confined to lots of five acres or more per town ordinance 127-8A.

ARTICLE 13. Are you in favor of amending Article III, Principal and Accessory Uses, Section 127-14 E. by adding a new paragraph (6), Fixed Wireless Transmitter Antenna Array (FWTAA), for the purpose of siting such array(s), also known as relay sites, on existing structures in all zoning districts to provide effective internet access with minimal site development?

127-14 E. (6) Fixed Wireless Transmitter Antenna Array (FWTAA) is any series of antenna or array of antennas that receives and transmits fixed wireless signals to provide subscribers with high speed (broadband) internet capabilities.

Existing structures – are defined as residential or commercial buildings, barns, silos, water towers, public utility transmission poles or towers, or other similar structures where fixed wireless broadband technology is to be deployed.

Fixed Wireless Transmitter Antenna Array (FWTAA) technology may be located on an existing structure in any zoning district. Attaching FWTAA technology to any public utility transmission towers or poles will require only a building permit. If the FWTAA and associated equipment being installed are concealed inside a structure and are not visible from the street, such installation will require only a building permit.

If any antenna or array of antennas, transmitters or array of transmitters totals over 10 square feet or exceeds 12 feet in height above the roofline, a site plan review will be necessary.

ARTICLE 15. To hear and act upon the reports of Agents, Committees and Officers, heretofore chosen.

Town Meeting opened at 7:20pm by Moderator William Prigge. Moderator Prigge led the assembly in the Pledge of Allegiance. Selectmen Thomas Parker made a motion to waive the reading of the Warrant; motion 2nd. Motion passed in the affirmative. Selectman Thomas Parker made a motion to accept Article 15 as written; motion 2nd. Selectman Parker referred the assembly to page 20 of the 2010 Annual Report. He explained that where it reads "Transfer to General Fund" should read "Reimbursement to General Fund". Selectman Parker went on to explain how the ambulance revolving fund works. Selectman Parker also addressed the issue of internet service in town. He advised that the Board has been meeting with Argent (the company that took over for PineTree Cable) about service in town.

Mr. Hiel Linquist stated that he had some questions about the transfer station (where the trash is hauled to, income from recycling, etc.). Selectmen Parker stated that he was welcome to review all this information in the selectman's office; the Board would be happy to make this information available.

After some review motion passed in the affirmative.

ARTICLE 16. To see if the town will vote to raise and appropriate the budget committee recommended sum of \$ 1,756,986 for general municipal operations, or take any action thereon. The Selectmen recommend \$ 1,760,953. NOTE: This warrant article (operating budget) does not include appropriations voted in any other warrant articles.

Budget Committee Chairman Carl Hagstrom made a motion to accept Article 16 as written; motion 2nd. Hiel Linguist addressed the assembly and asked what, on page 165 in the 2009 Annual Town Report, "Sales of Municipal Properties" meant. Selectman T. Parker explained that the town has tax deeded properties that may be put on the market/bid in 2010, and the potential monies generated from those sales are what is listed on page 165. Chief Kassotis made a motion to amend line 120 in Police Budget by adding \$10,000.00. Motion 2nd. Discussion followed. Budget Committee Member Brian Doerpholz disputes Chief Kassotis' numbers. Budget Committee Member Martin Nolan commented too. After discussion concluded Moderator Prigge called for a vote on the amendment. Amendment passed in the affirmative.

Motion to pass amended budget of \$1, 766,986.00 made; motion 2nd. Motion passed in the affirmative.

ARTICLE 17. To see if the town will vote to raise and appropriate the sum of \$250,000 to repair and maintain roads (including but not limited to preparation and paving), or take any action thereon.
(Recommended by Budget Committee, Recommended by Board of Selectmen)

2010 ANNUAL MEETING MINUTES - Continued

Road Agent G. Cuomo made a motion to accept Article 17 as written; motion 2nd. There was no discussion on this article.

Motion passed in the affirmative.

ARTICLE 18. To see if the town will vote to raise and appropriate the sum of \$11,000 to be added to the Town Buildings Maintenance and Repair Expendable Trust Fund created by ARTICLE #24 of the 2005 Town Meeting, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

Selectman C. Yon made a motion to accept Article 19 as written; motion 2nd. Selectman Yon explained that this is to cover major maintenance that is unanticipated. Selectman Yon reviewed what was covered under this expendable trust in 2009 and what may be covered in 2010.

Motion passed in the affirmative.

ARTICLE 19. To see if the town will vote to appoint the Board of Selectmen as agents to expend from the Ambulance Capital Reserve created by ARTICLE #21 of the 1998 Town Meeting, or take any action thereon.

Selectman S. Silverman made a motion to accept Article 19 as written; motion 2nd. No discussion on this article.

Motion passed in the affirmative.

GIVEN UNDER our hands this day of 11th day of February in the year of our Lord, two thousand and ten.

Thomas F. Parker, Chairman

Carmen M. Yon

Susan S. Silverman
BOARD OF SELECTMEN

Moderator William Prigge announced the results of Articles 1 through 14. Meeting adjourned at 8:10pm.

2011
WARRANT
AND
BUDGET
For the
TOWN OF FITZWILLIAM

**THE STATE OF NEW HAMPSHIRE
TOWN OF FITZWILLIAM
TOWN WARRANT 2011**

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said State of New Hampshire, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the 8th of March next between eleven (11:00) o'clock in the forenoon and seven (7:00) o'clock in the afternoon to act on issues required to be voted on by ballot (Articles 1 through 2) and to meet at seven (7:00) in the afternoon to act on the business matters of the Town (Articles 3 through 26). The polls will be open on ballot issues not later than 11:00 a.m. and close not earlier than 7:00 p.m., or such later time as shall be authorized by a vote of the Town.

ARTICLE 1. To bring in your votes for the election of one Selectman for three years; one Town Clerk for three years; one Fireward for three years; two Budget Committee Members for three years; one Trustee of the Trust Funds for three years; two Trustees of the Library for three years; one Supervisor of the Checklist for three years; one Cemetery Commissioner for three years; two Planning Board members for three years; and three Commissioners of Plante Memorial Park for one year.

ARTICLE 2. Are you in favor of amending the Fitzwilliam Land Use Code by repealing Article VII, Section 127-33, Signs Permitted in General Business and all Industrial Districts, and substituting new Section 127-33 below?

Section 127-33 Signs Requiring a Permit

The Board of Selectmen issues permits for all signs. If the business is located in the Historic District, signs must

be approved by the Historic District Commission. No sign shall project beyond the edge or roofline of a building.

Any business, including home businesses, may erect a sign or signs subject to the following:

TOWN WARRANT 2011 - continued

ARTICLE 3. To hear and act upon the reports of Agents, Committees and Officers, heretofore chosen.

ARTICLE 4. To see if the town will vote to raise and appropriate the sum of \$26,000 to purchase a police cruiser, said appropriation to be funded by authorizing the Board of Selectmen to withdraw \$2,100 from the Police Vehicle Capital Reserve and the balance of \$23,900 to be raised by current taxation, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 5. To see if the town will vote to raise and appropriate the Budget Committee recommended sum of \$ 1,767,023 for general municipal operations, or take any action thereon. The Selectmen recommend \$ 1,768,023. NOTE: This warrant article (operating budget) does not include appropriations voted in any other warrant articles.

ARTICLE 6. To see if the Town will vote to amend the action taken by ARTICLE # 20 at the 2005 Annual Meeting so that only that town forest specified by warrant article and approved by the legislative body may be placed in conservation easement; subject to final approval by the Board of Selectmen, or take any action thereon.

ARTICLE 7. To see if the Town will vote to amend the action taken by ARTICLE # 37 at the 2007 Annual Meeting to rescind the approval of the town to place the Katie Metzger Town Forest (Tax Map 09 Lot 18 and 19) into conservation easement, or take any action thereon.

ARTICLE 8. To see if the town will vote to raise and appropriate the sum of \$249,000 to create an Expendable Trust Fund under the provisions of RSA 31:19a, for the purpose of repairing and maintaining roads (including but not limited to preparation and paving), and further name the Board of Selectmen as agents to expend from said fund in the best interest of the town, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 9. To see if the town will vote to raise and appropriate the sum of \$10,000 to be added to the Town Buildings Maintenance and Repair Expendable Trust Fund created by ARTICLE # 24 of the 2005 Town Meeting, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

TOWN WARRANT 2011 - continued

ARTICLE 10. To see if the town will vote to raise and appropriate the sum of \$35,000 to repair the Town Hall Tower, said appropriation to be non-lapsing for up to one year, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 11. To see if the town will vote to raise and appropriate the sum of \$10,000 for the purpose of purchasing a sander for the Highway Department, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 12. To see if the town will vote to raise and appropriate the sum of \$10,000 to be added to the Capital Reserve Fund created by ARTICLE # 11 of the 1969 Annual Meeting for the purchase of a fire department vehicle, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 13. To see if the town will vote to raise and appropriate the sum of \$20,000 to be added to the Capital Reserve Fund created by ARTICLE # XVIII of the 1986 Annual Meeting for the purchase of Highway Department equipment, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 14. To see if the town will vote to raise and appropriate the sum of \$20,000 to be added to the Capital Reserve Fund created by ARTICLE # 17 of the 1995 Annual Meeting for the purpose of reassessment of the town, or take any action thereon. (Recommended by Budget Committee, Recommended by Board of Selectmen)

ARTICLE 15. To see if the town will vote to rescind the action taken by ARTICLE # 29 at the 2004 Annual Meeting to place 50% of all revenues derived from the current use change of use tax into the Conservation Fund established by ARTICLE #29 at the 1992 Annual Town Meeting, or take any action thereon. (Approval of this article will eliminate any revenue received from the Change of Use Tax being placed into the Conservation Fund)

ARTICLE 16. (By Petition) To see if the town will vote to authorize the expenditure of no more than \$46,000 from the Conservation Expendable Trust for the purchase of land identified on the Fitzwilliam Tax Maps as Map 13, Lot 05-03. (Recommended by Budget Committee, Not Recommended by Board of Selectmen)

ARTICLE 17. (By Petition) To see if the town will vote to rescind the provision that a portion of the Katie Metzger Town Forest can be used as a source of gravel for the town. This change will enable preservation of the conservation characteristics in the town forest. This
